Commendations

Chief Radford received a letter from Lakeway Citizen, Richard Pena, regarding Officer Jeff Brennecke's assistance with tree branches in his yard and roadway after the severe storm, he writes: "The morning after the high winds went through Lakeway, large and heavy tree branches from my yard were down and covering about half of the roadway. It was still dark when I called the Police non-emergency number. Officer Brennecke came out to the house and with the help of my basic saw and axe he cut and removed the trees covering the roadway. I felt this went beyond the call of duty as he could have easily just called it into the road department. However, he probably knew it was causing a road hazard. I was very impressed with this act and thought I would share this with you."

Chief Radford received a letter from Travis County Sheriff, Greg Hamilton, regarding our officers' assistance with the Inaugural Capital of Texas Police Motorcycle Chute Out, he writes: "Thank you for your assistance and support throughout the Inaugural Capital of Texas Police Motorcycle Chute Out. Working with your agency and other partnering agencies was the only way to complete the task. The Lakeway Police Department was instrumental in ticket sales and making the connection with Ramming Paving to have the parking lots swept prior to the event. This made the course clean and safe for our competitors and we can't thank you enough for making this contact. Steve Adams, Slade fisher, Jason Brown, and Andrea Greig all jumped in to help out with the ticket sales and we can't thank you enough for that participation. Additionally, we were pleased to see your officers competing in the event and hope they join us again next year!"
